AGRICOLA WARRIOR '56

A. H. S.
Agricola, Mississippi

MESSAGE

The history of Agricola School has many a golden page. The light of the truth and virtue which she fosters and the traditions and ideals which she embraces has shown undimmed through the years.

Those of us to whom the torch has been thrown propose to hold it high that it may continue to shine in all its glory into a darkened and needy world. We shall always strive to stand by that which is good and always keep the faith of the founding fathers.

The democratic spirit of our student body, the friendly spirit between students and faculty, and the great interest we have in each other will always be the characteristic of Agricola High School.

Frances Cooley & Co. Off Forest's Girls, 71-66 Ends 81 Game Win Streak

By LEE BAKER

Forest's magnificent winning streak ended at 81-66 when indomitable Agricola came back twice to triumph, 71-66, for the overall girls' state high school basketball championship Thursday night.

Hit the Top

The superb Scott countians, unbeaten in two seasons and defending titles in the showdown affair, lost their great gunner, Sylvia Howell, on fouls with the score tied at 62-62 and a shade less than six minutes remaining to play. That was the death knell for Forest hopes, even though the score was tied twice more before Agricola fashioned a lead that held up.

This state championship the first ever for a George county school, involved many things, but most of all, it was defense and Frances Cooley, Agricola's trio of all-state guards, Rachel Butkin, Jessie Bush and Kay Jean Jones, concentrated upon Miss Howell, holding the usual 40 point performer to a mere 18.

While Jones (5-9) and Butkin (5-10) stayed close to the hoop where Sylvia usually gets in her hooks, the other two-thirds of the Forest offensive unit, Carla Lowry and Valerie Harvey, fired through 21 and 27 points, respectively, from the court.

Fortunately for Agricola Coach James Wiginton (above) led his girls to the state championship in his first year in the coaching game. "Wig," 26 years old, hails originally from Tremont and is an Hawamba JC grad.

Last season Wiginton's crew won including tourney competition, and it for the current campaign showed 34-1. So they've won 77 games in a row a has ever devised ways and means to tournament in which the Agricola girls are just plain good. So good they mentioned above, does not "go" for enjoys seeing them in action.

And did you know that young A 1.000 percentage for his entire career It's the truth.

Massed in a huge team embrace, the Agricola girls joined by their coach and a couple of the owners celebrate the glorious moment after a 71-66 triumph over Forest in the state title game Thursday night at City Auditorium before a turnaway crowd of 3,100.

Frances Cooley sparked the Agricola win with 40 points, while June Gunter and Margie Holland got 18 and 12. Forest's great forward Sylvia Howell leading sharply from the outset at the contest was limited to 18 points—one of the lowest totals of her high school career.

Valerie Harvey and Carla Lowry added 21 and 27 points, respectively, for the Forest offense with 66 total.
